

2024 COVERING THE WORLD IN CHRIST CELEBRATION

To my Sibling in Christ,

Thank you very much for taking time out of your busy schedule to join us for the 2024 Covering the World in Christ festivities. It's a blessing to have you with us!

I think you would readily agree that our society is in a sorry state today. Although there is plenty of blame to go around, I believe one of the key contributors is that God is being systemically removed from all of our major institutions.

As an organization, we believe that the greatest ministry field is the workplace and it's our prayer that you'll join us in boldly and unapologetically declaring to the world whose we are to win this world back for Him.

Your participation in this event shows me that you feel the same way.

Don't let the energy and enthusiasm that you experience today fade when you walk out the door. Take what you learn here and share it with everyone that God places in your life.

Want to officially join our movement? Then visit <https://csuiteforchrist.com/> to get started.

Together, we'll cover every square inch of this world in Christ!

Blessings,
Paul
 pneuberger@csuiteforchrist.com.

MaHER has also toured with MercyMe, Chris Tomlin, and Casting Crowns.

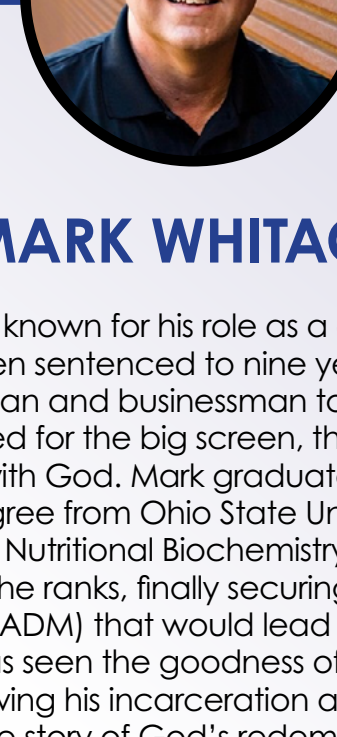

PAUL M. NEUBERGER

PAUL M. NEUBERGER, a Wisconsin native, graduated from Ripon College in 2005 and Marian University in 2007. He started his career as a professional fundraiser at the collegiate level upon his graduation from Ripon. Following the death of his father-in-law in 2012, Paul followed a new path and became a financial advisor with Thrivent Financial. It's from here he realized a passion for sales and started his first business, The Cold Call Coach.

Proudly obsessed with the Great Commission and restoring God to His rightful place in the center of our culture, Paul founded C-Suite for Christ in December of 2018. Paul felt called by God to use his talents to bring others to Him and is passionate about pushing back against an ever-increasing secular society. C-Suite for Christ focuses on bringing Christ back into the workplace, starting with C level executives that seek to bring their professional life and deep faith together for God's glory.

Paul is also a dynamic, in-demand speaker who delivers keynotes worldwide. His most notable talk is "Instantaneous Differentiation: How to Make Yourself Memorable". Anyone who attends one of Paul's engaging talks leaves feeling inspired and armed with a new set of skills. Paul loves to show the audience how, together, they can make the impossible possible.

When he's not speaking or managing many of the great C-Suite events, Paul loves spending quality time with his wife Tanya and their three children: Kennedy, Hudson, and Reagan. He also enjoys immersing himself in politics, reading biographies, and watching movies.

TIM BREEN

TIM is a third-generation pastor and has a passion for dynamic Biblical preaching, congregational mobilization, and staff health. In addition to his most recent pastoral work in Orange City, Iowa, Tim has served churches in Hudsonville, Michigan; Rockford, Michigan; and Sibley, Iowa. He has been a college professor, camp counselor, conference speaker, and has served on numerous education, denominational, and charitable boards. Tim writes at telosblog.com and enjoys leading Bible-based study tours of Israel.

Tim and his wife Tamara have been enthusiastically married for 20 years. They have three school-aged children and relish their family time. The Breens enjoy hiking, biking, stargazing, and traveling the country in their trusty Jayco motorhome. Their favorite moments include holidays in worship and fall Saturdays watching college football. Tim's favorite book of the Bible is Daniel, and he cites 2 Timothy 4:1-8 as his life verse.

JAY SEEGERT

JAY SEEGERT is an international speaker and author, as well as the Founder and Managing Director for The Starting Point Project. (TheStartingPointProject.com) Jay holds degrees in both Physics (Univ. of Wisconsin-Whitewater) and Engineering Technology (John Brown University) and is also the President of Logos Research Associates (world's largest group of scientists who are Christians and biblical creationists). Jay is proud to be a speaker for the Creation Science Association of Fiji and has been speaking on the Authority of Scripture for 39 years. He is married to his wife Amy of 31 years and has two married children, Taylor and Tori.

MARK WHITACRE

MARK WHITACRE, known for his role as a corporate whistleblower and then sentenced to nine years in federal prison, is a devout Christian and businessman to this day. Mark's story has been adapted for the big screen, though he continues to walk humbly with God. Mark graduated with a bachelor's and master's degree from Ohio State University and went on to earn his PhD in Nutritional Biochemistry from Cornell. From there, he rose in the ranks, finally securing his role at Archer Daniels Midland (ADM) that would lead to his whistleblower status. Mark has seen the goodness of God through the many years following his incarceration and continues to use his voice to tell the story of God's redemption and remaining faithful to what is true. Mark credits his wife for not only forcing him to go to the FBI, but also keeping their family together and strong during their separation. Mark is a proud father of three grown children.
