

I believe one of the key contributors is that God is being systemically removed from all of our major institutions. As an organization, we believe that the greatest ministry field is the workplace and it's our prayer that you'll join us in boldly

and unapologetically declaring to the world whose we are to win this world back for Him. Your participation in this event shows me that you feel the same way. Don't let the energy and enthusiasm that you experience today fade when you walk out the door. Take what you learn

here and share it with everyone that God places in your life. Want to officially join our movement? Then visit https://csuiteforchrist.com/ to get started.

Together, we'll cover every square inch of this world in Christ! Blessings,

pneuberger@csuiteforchrist.com.

## MARK WHITACRE MARK WHITACRE, known for his role as a corporate whistleblower and then sentenced to nine years in federal prison, is a devout Christian and businessman to this day. Mark's story has been adapted for the big screen, though he continues to walk humbly with God. Mark graduated with a bachelor's and master's degree from Ohio State University and went on to earn his PhD in Nutritional Biochemistry from Cornell. From there, he rose in the ranks, finally securing his role at Archer Daniels Midland (ADM) that would lead to his whistleblower status. Mark has seen the goodness of God through the

many years following his incarceration and continues to use

his voice to tell the story of God's redemption and remaining

faithful to what is true. Mark credits his wife for not only forcing

him to go to the FBI, but also keeping their family together
